

Fifth Street Community Garden Application

How does it work?

Plots are rented for one year, from March 1st to the end of February. Water, some tools and other resources are provided. Each plot is 9x12 feet (108 sq. ft.), with a limit of 2 plots per gardener. Any plots not rented by June 1st will be available to gardeners to add to their existing number of plots and be rented temporarily for that year.

Gardeners are expected to maintain their own plots and contribute time to the shared responsibilities of garden as a whole. Work parties may be organized as needed to complete specific tasks and there are common areas that gardeners can adopt and maintain individually or as a group.

The gardening season runs from March 1st to the end of February. Returning gardeners must confirm they are returning by February 1st and payment must be received by March 1st to keep their plots.

All adults participating in the garden must sign a Hold Harmless agreement **each year**. Children (under 18 years of age) must have a parent or guardian sign the Hold Harmless agreement.

Number of plots: _____ (\$35 per plot per year)

Gardeners will be signed up for a Google Groups mailing list used to send out announcements. The list is open for use by members to ask questions and share information. Gardeners can remove themselves from the list any time they wish. If anyone sharing the garden with you would like to be on the mailing list, please list their names and addresses below.

Please check here if you do **not** wish to be added to the garden mailing list.

Calling everyone is very time consuming so please be aware that you may not receive important news about the garden other than postings at the garden itself.

Make checks payable to **Fifth Street Community Garden**

Mail check, signed Hold Harmless Agreement and application to:
PO Box 902, Port Angeles, WA 98362

Once your application is received you'll be contacted to confirm that the application is complete.
